Example:

**I trust the timing of
my life.**

What events in your life have proven that patience
leads to good outcomes?

2. Start Writing

That's all for 'How to Use.' Now enjoy your Anytime, Anywhere, When Needed Journal!

I cultivate a positive mindset.

When you face a challenge, how can you think in a positive way? Write about a time you did this and what happened.

**I am confident and
capable.**

Think of a recent success. Write about how you made it happen and how confidence played a part.

**I celebrate my successes,
big or small.**

What is a recent win you can celebrate? Write why it matters and how you feel about it.
